

Louisiana Delta Community College

Academic Affairs Master Syllabus

Course Name: ADVANCED DISCIPLINE I- MANUFACTURING DRAFT

Course Number: DRFT 2341

Credit Lecture hours: 1 **Credit Lab Hours:** 2 **Contact Hours:** 3

Textbook, Author, and Publisher: To be provided by College Campus

Instructor Information: To be provided by College Campus

Class Location: To be provided by College Campus

Course Description: This course will emphasize the principles of engineering drawing in the fields of mechanical engineering, sheet metal, welding, and other industrial areas of manufacturing and construction. The primary emphasis is on manufacturing principles and processes as they relate to the design process and the interchangeability of parts.

Prerequisites: DRFT 2310

Co-requisites: None

Learning Outcomes:

On completion of this course, the student will be able to:

1. Identify terms, definitions, and abbreviations.
2. Identify career opportunities and employment qualifications.
3. Identify professional organizations.
4. Identify conventional mechanical drafting tools
5. Identify and use precision measuring instruments.
6. Identify and use functional drafting techniques and equipment.
7. Identify and use different types of reference material.
8. Identify types of ferrous and nonferrous metals
9. Identify different types of non-metallic materials.
10. Identify types of standard material shapes.
11. Describe basic machining operations.
12. Describe major machining operations.
13. Describe the casting process.
14. Describe the process of pressure forming parts.
15. Describe the fabrication process.
16. Utilize the Learning Resource Center to enhance and support classroom instruction and to research issues related to the course material.

Assessment Measures: To be provided by the College Campus.

Library Resource Center:

The Delta Library and Learning Resource Center is committed to providing quality information and learning resources and services, including technology, in supporting the overall mission of Delta Community College and its commitment to lifelong learning.

Special Accommodations:

Louisiana Delta Community College complies with Section 504 of the Rehabilitation Act, as well as the Americans with Disabilities Act. Students with disabilities who attend the Monroe campus may make a request by contacting the Director of Counseling and Disability Services (See College Directory for contact information.) at the beginning of each semester. Reasonable accommodations will be attempted for students with documented disabilities. If an impairment is identified later in the semester, a non-retroactive accommodation plan will be developed. Students at satellite campuses should contact the Coordinator of Student Affairs at their particular campus.

Title IX:

Louisiana Delta Community College is committed to protecting the rights of students, which includes compliance with Title IX requirements. As such, the institution and members of our community will not tolerate the offenses of dating violence, domestic violence, sexual assault, and stalking. Students with Title IX concerns should contact the College's Title IX Coordinator (See College Directory for contact information.) Students are required to complete Sexual Assault Awareness and Prevention Online Training. Access to this online course will be sent out through the Delta email account.

Student Code of Conduct:

Louisiana Delta Community College encourages an environment of academic integrity and mutual respect. Students should read and follow both academic and behavioral expectations identified in the Code of Student Conduct that can be found online at www.ladelta.edu. Students are expected to act with integrity, respect the rights of others, and conduct themselves in a professional manner. The Honor Code prohibits academic misconduct such as cheating, engaging in unauthorized collaboration, and plagiarism. Violations of the Code of Student Conduct may result in disciplinary action as provided in the Code. Incidents are reported through the online Student Conduct system.
