## Academic Affairs Master Syllabus

**Course Name:** FCAW-Basic Fillet Welds

**Course Number:** WELD 2110

**Lecture hours:** 1                      **Lab Hours:** 2                      **Credit Hours:** 3

**Textbook, Author, and Publisher:** To be provided by College Campus

**Instructor Information:** To be provided by College Campus

**Class Location:** To be provided by College Campus

### **Course Description:**

An introduction to the principals of Flux Core Arc Welding (FCAW), component and consumable identification, including the safe setup of equipment and practice of fillet welds in the flat, vertical, horizontal, and overhead positions.

**Prerequisites:** WELD1110 and the consent of the Instructor/Advisor. **Exit Notice:** Students may be required to pass course proficiency tests before proceeding to other program content.

**Co-requisites:** None

### **Learning Outcomes:**

On completion of this course, the student will be able to:

1. Identify and explain the safe operating practices of Flux-Cored Arc Welding (FCAW.)
2. Identify and explain the characteristics of FCAW welding current and power sources.
3. Identify and explain the use of FCAW equipment.
4. Identify and explain the use of FCAW shielding gases and filler metal.
5. Safely set up FCAW equipment and identify tools for weld cleaning.
6. Make fillet welds in all positions using FCAW with or without shielding gases.
7. Maintain a safe working environment and apply good housekeeping practices.
8. Follow written and verbal instructions.

*Note: All competencies outlined in this course syllabus must be completed according to minimum accepted criteria to earn course credit. However, supplemental competencies and/or more stringent criteria may be included for a student to achieve higher level skills or meet specific industry standards. Higher level skill competencies and/or additional criteria must be detailed and documented on the syllabus and Student Competency Record (SCR.)*

**Assessment Measures:** To be provided by College Campus

**Library Resource Center:**

The Delta Library and Learning Resource Center is committed to providing quality information and learning resources and services, including technology, in supporting the overall mission of Delta Community College and its commitment to lifelong learning.

**Special Accommodations:**

Louisiana Delta Community College complies with Section 504 of the Rehabilitation Act, as well as the Americans with Disabilities Act. Students with disabilities who attend the Monroe campus may make a request by contacting the Director of Counseling and Disability Services (See College Directory for contact information.) at the beginning of each semester. Reasonable accommodations will be attempted for students with documented disabilities. If an impairment is identified later in the semester, a non-retroactive accommodation plan will be developed. Students at satellite campuses should contact the Coordinator of Student Affairs at their particular campus.

**Title IX:**

Louisiana Delta Community College is committed to protecting the rights of students, which includes compliance with Title IX requirements. As such, the institution and members of our community will not tolerate the offenses of dating violence, domestic violence, sexual assault, and stalking. Students with Title IX concerns should contact the College's Title IX Coordinator (See College Directory for contact information.) Students are required to complete Sexual Assault Awareness and Prevention Online Training. Access to this online course will be sent out through the Delta email account.

**Student Code of Conduct:**

Louisiana Delta Community College encourages an environment of academic integrity and mutual respect. Students should read and follow both academic and behavioral expectations identified in the Code of Student Conduct that can be found online at [www.ladelta.edu](http://www.ladelta.edu). Students are expected to act with integrity, respect the rights of others, and conduct themselves in a professional manner. The Honor Code prohibits academic misconduct such as cheating, engaging in unauthorized collaboration, and plagiarism. Violations of the Code of Student Conduct may result in disciplinary action as provided in the Code. Incidents are reported through the online Student Conduct system.
