| Section  |  | Subject                      | Title    Lifespan of Course Work |

Delta is interested in moving its students toward the successful completion of their associate degree(s) regardless of when or where they began their college program, or what courses they have taken to support their degree progress. Previous college course work will be transferred to Delta for purposes of establishing grade point average and admission status. Any questions of institutional accreditation, faculty credentialing, or if the course is over ten years old, will automatically be referred to the appropriate Academic Dean for review and approval.
